"... because of this church!"

"I spent most of my life trying to fill my heart with things and especially work. I didn't need prayer, I needed a plan. I didn't need faith, I needed strategies. I didn't need God, I needed to put my head down and work harder. But with every victory and success I still felt unfulfilled. That is, until a friend invited me to Real Life. At Real Life, I heard God speaking directly to my heart and began to trust in Jesus.

My heart is now full & there is a calmness over me. I started serving Jesus immediately & beginning this fall I'll be leading our load in & load out team. Thank you to everyone who has invested in Real Life Sango.

My life is forever changed because of this church!"

BRIGHT FUTURE

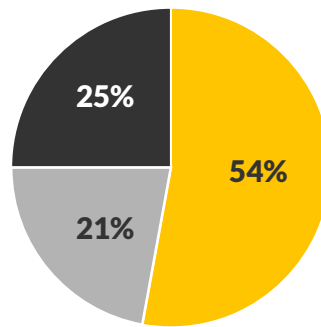

Dear Real Life Family,

I am overjoyed with you at all that God has done in just 10 short months at Real Life Sango. Thank you for loving, praying, serving, giving, inviting, encouraging, stepping up, leaning in, taking risks, embracing the new, and investing in the mission! Jesus is building His church and advancing His kingdom through you, but He's just getting started! Susan and I are looking forward to a bright future and many, many years together with you as a faith family. The biggest next step for us is launching a 2nd worship service this Fall. I've included a big picture snapshot of our budget and five key items for you to pray about. Please continue to pray and give as you so faithfully have, and let's believe God for big things this Fall. I love you am praying for you!

Keep it real. Keep it Jesus,

Pastor Freddy T.
