I've been at Real Life for a while now and it continues to grow with me. I know I am surrounded by the body of Christ when I look around at the beautiful smiles and people serving. It's kingdom work and I will continue to involve myself in serving in the youth ministry and hospitality team because I am a true believer in making people feel welcome. RL Students is the most vital part of Real Life's ministry, they aren't the future of our church, but they help guide the future we will have.

"We must work the works of him who sent me while it is day; night is coming, when no one can work."

- John 9:4v

"But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth." - Acts 1:8

"Real Life has been my life line. I am single with no kids and it's easy to allow loneliness to rule my world. That's not possible at Real Life. Serving with others keeps the loneliness at bay. Through serving, I receive so much more in return."
- Sheryl Neal

"I love our core values of 'Grace & Truth in Relationships', 'Equip & Empower', 'Margin for Mission' and 'Keep it Real. Keep it Jesus!' It is what makes Real Life Church amazing! Because those are our values and our church members live by them is why we have such an amazing relationship with each other through our community groups! I pray we continue to multiply so others are as blessed as we are to have such an amazing church!"
-Kristy Killebrew

“To be a husband and get the front row seat to being apart of my wife’s baptism, is one of my proudest moments. This life and the next I will be with my best friend.”

- Blake Atkinson

Real Life Family!

As we reflect upon another year together, I continue to be amazed at God’s powerful work among us. Old and young are finding Jesus to be their strong savior and finding Real Life to be their faithful home. We continue to be a safe place for people to heal, skeptics to question, and disciples to grow. As we look toward 2023 with plans to break ground on a new facility and to send a church planter across town — everyone will have a role to play! We are truly becoming a flourishing people and a multiplying movement. I love you church! Let’s do this! Keep it real. Keep it Jesus.
