# 2025 BUDGET

- Operations: \$206,308
  - Ministry+Missions: \$1,199,708
  - Building: \$736,208
- Total: \$2,142,224**

In planning our 2025 budget, we are intentionally building our operating budget based on 90% of what we received in 2024. This approach means we will live and operate on less than we plan to bring in, creating a deliberate margin. By doing this, we aim to embody our value of "margin for mission," ensuring that we maintain flexibility to respond to unexpected needs or opportunities that align with our values, and continue to build a robust savings account. Our financial advisory team has provided valuable guidance and fully supports this approach, affirming it as a wise and sustainable way to steward our resources.

"It is hard to put into words but God is present in a very tangible way. Real Life is a home where you see God moving, you feel Him near and you hear Him calling."  
**Christine Colaninger**

KEEP IT REAL. KEEP IT JESUS.

WE WELCOMED

*Beck's*  
FARMHOUSE COFFEE

The teachings and the fellowship I have received from the Real Life Church has helped me grow my relationship with God. I truly get something out of going every Sunday. I keep coming back for more. It's a wonderful feeling.

- JESSICA RAY

Our faith was young and curious when Megan brought me to Real Life for the first time, the Lord knew the perfect way to stoke the fire! Since February we have felt like family; conviction, empowerment, baptism, and marriage. Our relationship has only known Jesus as Lord, and only known Real Life as home!
